## ABOUT US

Huy Minh Corporation is established in April 2004 and currently locates in Dong Xuyen Industrial Zone of Vung Tau city. We have a total space of 13,000 SQM with well set-up of workshops, warehouses, offices and yard space.

Our main business line includes but not limited to:

- 1) Fabrications of Steel structures, Custom Tanks, Small and medium size vessels and vessel repair;
- 2) Production of API high pressure Pipeworks, Wellhead valves and valves parts;
- 3) Rig drilling services for Oil and gas including materials supplies, logistics managements.

With competent management, workforce, management systems and with well set-up workshops our company can provide timely and efficient services that meet most of our customer's requirements

### Our Mission

Huy Minh Corporation strives to be the most reliable services provider for customers in Oil and Gas and other heavy industrial business sectors in Vietnam and in the Region

### Our Core Values

- Create customer's trust and promote company's reputation as well as service quality
- Fully implement the company's commitments with customers, shareholders and employees
- Train and build human resource for company's growth and create qualified manpower that contributes to the growth of country economy

## Our People

In addition to our expertise in the field of oil & gas drilling sector, we specialize in designing and manufacturing structurally loosen parts or structural frames for heavy industries, customized boats; Manufacturing precisely mechanical components according to customer's requirements.

## Our Safety

Huy Minh Corporation is committed to conducting business in a manner of protecting Health and Safety of its Employees, Customers while retaining the quality of environment in which it is operated.

## Our Quality

Huy Minh operates its production and services business using various Quality Control Systems includes ISO 9001:2015, EN 1090 and API 6A and implementing OHSAS 18001 to protect its employees and work environment.

Our Quality Control and Quality Assurance technicians are dedicated to conduct rigorous checks and inspections on all the products and services to meet which is higher between the quality standards and requirements of our customers.

## PRODUCTS AND SERVICES

### Steel Structural Fabrication

We provide design services, materials sourcing and fabrication of steel structures for Heavy industries, Marine and Oil & Gas. Each of Huy Minh's steel structural product is tailor-made to meet the needs of our customers with fast delivery and committed quality. Typical projects include loose parts, structural frames for buildings, heavy equipments, boats and offshore platforms.

## Vessel Hull Fabrication

« Vessel hull block fabrication: Hull blocks No. H5301/5302, B362/352, H5302 - 502, 361,342 being fabricated by Huy Minh team at its facility in 2016 »

## Custom Tanks Fabrication

We have the fabrication capability all customized tanks for the sectors of oil and gas, chemical production, pharmaceutical production for various application with mixing or storage with either acid resistance lining or not. For transportation skid and Stainless steel Tote tank, capacity ranges from 255GL to 550GL.

Nominal Capacity	Nominal Length	Nominal Width	Nominal Height	Nominal Weight	Nominal Weight
300gal	42"	48"	45"	440lbs	5192lbs
(1113L)	(1066mm)	(1219mm)	(1143mm)	(197kg)	(2360kg)

255gal	42"	42"	45"	405lbs	4444lbs
(946L)	(1066mm)	(1066mm)	(1143mm)	(183kg)	(2020kg)
300gal	42"	42"	51"	431lbs	5129lbs
(1113L)	(1066mm)	(1066mm)	(1295mm)	(196kg)	(2360kg)
350gal	42"	42"	57"	470lbs	6017lbs
(1298L)	(1066mm)	(1066mm)	(1447mm)	(214kg)	(2735kg)
400gal	42"	42"	63"	510lbs	6853lbs
(1484L)	(1066mm)	(1066mm)	(1600mm)	(231kg)	(3115kg)
480gal	42"	42"	75"	585lbs	8195lbs
(1780L)	(1066mm)	(1066mm)	(1905mm)	(266kg)	(3725kg)

## Ship Repair

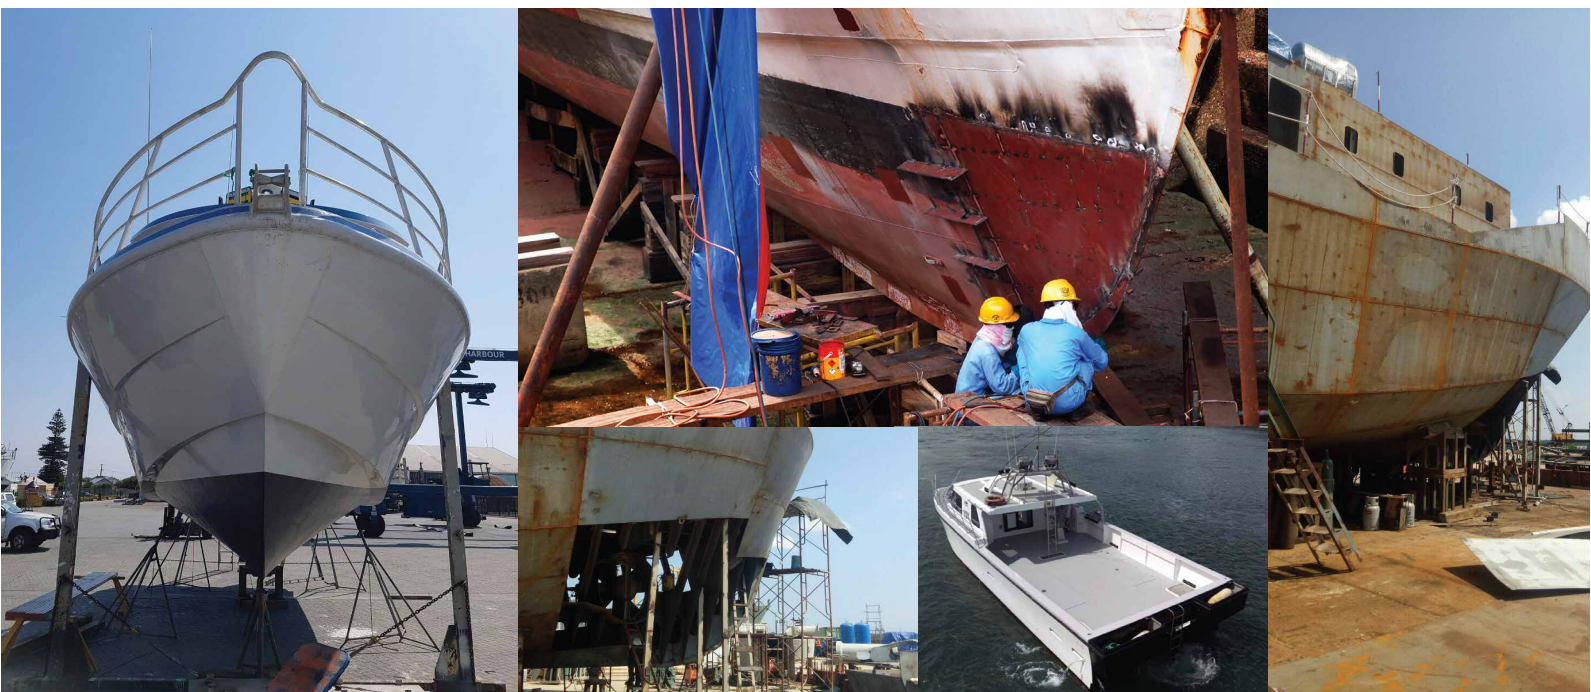

We provide various repair services from Hull repair, Ballast / Preload tanks cleaning and coating, Accommodation repair / upgrade, Elevator repair / installation

« Hull Repair project on Rig ENSCO 105 –  
Van Phong Bay Vietnam – December 2014 »

## Small And Medium Steel And Aluminum Boat Building

From customer specifications, we define together the boat that best meet the demands of their activity while integrating the standard. We have the capacity to deliver projects ranging from small work-boats to medium vessels of all kinds.

## Containers Fabrication

Offshore transportation containers meet BS EN 12079 and DNV 2.7-1 Standards, including 6', 7', 8', 10' and 20' workshop container.

### Specifications

	Dimension				
Offshore Container	8' x 20' x 8'	8' x 7' x 8'	8' x 8' x 8'	8' x 10' x 8'	8' x 20' x 8'

## Baskets Fabrication

### Specifications

	Dimension				
Side Door Basket	10' x 8' x 4'	12' x 5' x 5'	7' x 4.5' x 4.5'	20' x 8' x 3'	22' x 4' x 3'

## Bottle Racks Fabrication

## Wire Rope Slings Fabrication

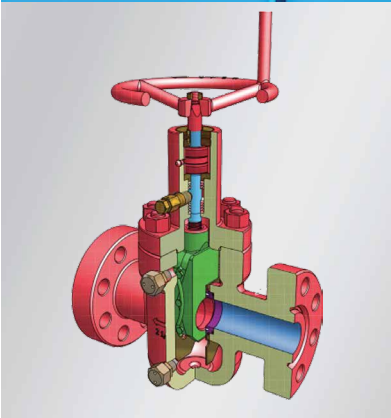

We have the fabrication capability for most of common wire rope slings from single leg to five legged sling with various of sizes from 3/8" to 2.5"

## Production Of API High Pressure Pipeworks, Wellhead Valves And Parts

Production of Wellhead equipments including high pressure Gate, Choke valves, Tees and Crossovers with working pressure ranges from 2,000 PSI to 15,000 PSI.

High pressure components use a coned-and-threaded connection which accommodates the high temperatures and pressures common in these applications. These pipeworks are assure safe and easy plumbing for working pressure from 2,000 psi to 15,000 psi with ranges of sizes from 2" to 10".

## Rig Drilling Services For Oil And Gas

Rig drilling services for Oil and gas including materials supplies and logistics managements.
